June Newsletter

June 2025

Dear Beloved Peoples Congregational United Church of Christ,

As we **enter the vibrant month of June**, I am *excited* and *grateful* for the many meaningful ministry opportunities we have planned. This season is an excellent opportunity to unite in fellowship, worship, and gratitude, and ask others to journey with us.

As I share this epistle with you, I do so with a deep sense of vulnerability. While I am honored to walk alongside many of you in your spiritual journeys, I must confess that I also face my challenges. This journey can often feel heavy, and I need your support and prayers just as I hope to offer you mine. Let us cultivate a space of mutual encouragement and understanding in our faith community. Together, **as Paul reminds us in Philippians 4:6-7**, we can bring our anxieties to God in prayer and thanksgiving, trusting that He will grant us the peace we seek. Thank you for being a source of strength and compassion for one another as we navigate our joys and struggles together.

Rev. Dr. William J. Barber II's Visit – We welcome Rev. Dr. William J. Barber II on June 1. His preaching will inspire us, urging us toward justice and compassion as we reflect on our calling as a community. As it says in **Micah 6:8**, *"He has shown you, O mortal, what is good. And what does the Lord require of you? Act justly, love mercy, and walk humbly with your God."* Let us prepare our hearts and minds to receive his message and to be challenged in our walk of faith.

Pentecost Sunday – Following that, we will celebrate Pentecost Sunday **on June 8**. This day commemorates the outpouring of the Holy Spirit, empowering us to witness Christ's love and grace. As we gather, let us remember **Acts 2:17-18**, which reminds us that ***God will pour out God's Spirit and enable us to dream and prophesy***. May we be open to the Spirit's movement in our lives and the church.

Father's Day and Men's Day – **On June 15**, we will honor our fathers and celebrate Men's Day. This is an opportune moment to appreciate the father figures in our lives and acknowledge men's vital role in our faith community. Let us reflect on **Ephesians 6:4**, which ***encourages fathers to raise their children in the training and instruction of the Lord***. I invite everyone to join us in recognizing and uplifting all the men among us.

Student Recognition – **On June 22**, we will celebrate our students and their accomplishments. Let us support and encourage the young people in our midst, as **Proverbs 22:6** teaches: ***"Train up a child in the way he should go, and when he is old, he will not depart from it."*** This occasion reminds us that investing in our youth is vital for our church and community's future.

Caribbean and Interfaith Service – We will conclude the month with our Caribbean and Interfaith Service **on June 29**. This event will celebrate our diverse community and foster unity in Christ. Let us recall **Galatians 3:28**, which ***affirms that we are all one in Christ Jesus***. This service will be an enriching experience for sharing stories and cultures, and I encourage everyone to come and participate.

Finally, as we gather in fellowship this June, we joyfully recognize **PRIDE Month**, a time to celebrate the diverse identities and experiences within the LGBTQ+ community. In the Spirit of love and inclusion, we honor the dignity of every person, *affirming that each individual is created in the image of God* (Genesis 1:27). Let us reflect on our commitment to justice, equality, and love for all as we continue to foster a welcoming and affirming space in our church for everyone. May we take to heart the words of **1 John 4:7**: *"Beloved, let us love one another, for love is from God, and whoever loves has been born of God and knows God."*

This month promises to be busy and fulfilling as we grow in our faith together. I look forward to seeing everyone participate in these meaningful events. Let us be a community that draws strength from one another, lifting each other as we journey in faith.

Loving you into God's next for you!

Rev. Benjamin Ledell Bragg-Reynolds

There are numerous opportunities to participate, including both **on-stage and behind-the-scenes**. We need **you** to make this a great event: speakers, singers, dancers, stage manager, prop master, costume manager, marketing and PR team, recruitment, logistics, ushers and greeters, and production assistants. The Board of Christian Education and the Scholarship Committee will celebrate graduates on Student Recognition Sunday. The service will recognize all Peoples Church graduates from pre-K, elementary, middle, high school, college and graduate/professional schools.

CONGRATULATION TO:

Dr. Goulda Downer who received the **Prestigious Howard University Community Engagement Award** conferred on a member of the Howard University faculty who engages in excellent sponsored research, creative works and service, and visionary leadership that continues to elevate the institution. The award was presented on April 29th at the *Excellence in Innovation and Academic Achievement Awards Ceremony*.

Dr. Arlene King Berry, the recipient of the **District of Columbia's Provost's Leader Award** at the Annual UDC Faculty Awards Gala on May 14th.

Deacon Cynthia Prather, the Honoree from Peoples Church at the **Seabury Celebration of Service Program** on May 20th at the Washington National Cathedral, a joint celebration between Seabury Resources for the Aging, the Episcopal Diocese of Washington and the United Church of Christ Potomac Association for outstanding volunteer service in the local church.

"The Board of Christian Social Action (BoCSA) is encouraging the members of Peoples to participate in the **MORAL MONDAYS IN DC** activities and events. The events are spearheaded by Rev. Dr. William J. Barber III, who founded the Repairers of the Breach in 2015.

The Moral Monday Initiative was born out of a need to block the passage of proposed budget cuts to activities and programs that could have potentially devastating impacts on the American people, particularly the poor and marginalized.

The Moral Monday Initiative is on the first Monday of every month from May through September (May 5th, June 2nd, July 7th, August 4th, and September 8th).

You may **sign up to participate** in an event through *Sign Up Genius* by clicking this hyperlink:

Music Ministry Announcements

If you have been thinking about joining the music ministry team at Peoples, now is the time! There are several opportunities for you to participate in the music ministry at Peoples. We invite you to come and be a part of Peoples Congregational Choir. Rehearsals are on Saturdays from 9:30 a.m. to 11:00 a.m. There are also opportunities to sing with Peoples Praise, our praise & worship team. Rehearsals are on Saturdays from 11:15 a.m. to 12:30 p.m. Instrumentalists are also welcome.

Did you know that the choir is a reflection of the congregation? Choir membership is based on active attendance of the membership. The choir makes up 3-5% (some say up to 10%) of the active church attendance. You can help grow the choir by bringing or inviting a friend or family member to church.

You don't sing or play a musical instrument? We are also seeking a few individuals with a desire to contribute by providing administrative support. If you are interested, please reach out to: Min. Diedre Gray, Assistant Director of Worship or LeAta Jackson at: music@peopleschurchucc.org. Stay tuned for upcoming announcements regarding the music ministry at Peoples!

ORAL-SYSTEMIC HEALTH

Numerous studies and research have revealed a connection between oral health and systemic health, with evidence suggesting that the relationship is reciprocal. Most research studies have examined the direct and indirect effects of periodontal disease on systemic health.

What is Periodontal Disease?

Periodontal Disease, also known as gum disease, is an infection and inflammation of the gums (gingivitis) and the bone that supports the teeth (periodontitis). The disease is often caused by plaque buildup resulting from poor oral hygiene, but it can be caused by genetic factors or other health conditions. Dental plaque is a sticky film of bacteria that forms on the surfaces of the mouth, especially on the teeth. According to the CDC, periodontal disease affects 42% of the adult population age 30 and over. Risk factors include a family history of periodontal disease, poor oral hygiene, smoking or chewing tobacco, pregnancy, diabetes, and crooked teeth that are hard to clean.

How Does Periodontal Disease Affect Systemic Health?

According to the National Institutes of Health, over 700 species of bacteria reside in the mouth, consisting of good (beneficial) bacteria and bad (pathogenic) bacteria. Pathogenic bacteria can colonize and cause diseases. Two possible mechanisms have been hypothesized to explain how pathogenic bacteria in the oral cavity can be associated with systemic diseases. First, chronic inflammation in the oral cavity can increase the inflammatory markers in the bloodstream, affecting the body's immune response, i.e., the body's ability to fight diseases. Second, the oral cavity serves as a reservoir for pathogenic bacteria that enter the bloodstream and affect the body at distant sites.

What Systemic Conditions Are Impacted by Oral Health?

The studies connecting periodontal disease with overall health have included atherosclerosis, cardiovascular disease, stroke, rheumatoid arthritis, osteoporosis, diabetes mellitus, pancreatic cancer, pregnancy and low birth weight, pulmonary disease, kidney disease and Alzheimer's Disease. If you have been diagnosed with any of these conditions or are taking medications, PLEASE ask your medical practitioner or dental provider how these conditions or medications are impacting your oral health. Some medications that might affect oral health include hypertension, diabetes, antidepressants, osteoporosis, blood thinners, cancer, antihistamines, and oral steroids.

How Is Your Oral Health Impacted?

Common symptoms of periodontal disease include bleeding gums when you brush and floss, swollen gums, loose and/or missing teeth, bad breath, red or white lesions that do not go away or heal within seven to ten days, and teeth that are separating.

Prevention Measures

Practice good oral hygiene and schedule regular dental examinations. Be proactive about your health. Provide your dentist with a comprehensive medical history, including prescribed and over-the-counter medications. Provide your physicians with your dental history, including any oral complications that you have experienced after a medical procedure or after taking prescribed medications.

NOTICE TO CHURCH MINISTRIES, CLUBS, ORGANIZATIONS

Many ministries within the Peoples Church have become accustomed to receiving donations through the church and later receiving a check for their funds. However, this practice, its associated expenses, and the required processing time have grown, so the church can no longer support it. You may recall that the Treasurer managed the funds transfer. People's Church has been without a treasurer for over two years, and it is not prudent for the church to pay an accountant to oversee this function. In addition to having no Treasurer to manage the process, the transaction fees for credit cards and other electronic payment transactions are withdrawn from the church bank account monthly.

Starting March 1, 2025, ministries, clubs, circles, and organizations will be asked to manage their funds directly rather than having them deposited into the church account. The drop-down will no longer be an option on the church's financial system. For credit card transactions, you can investigate Square, Clover, Merchant Services, PayPal, and other options. Peoples Church will no longer manage the following ministry, clubs, and organizations: Balcony Circle, Camelia Circle, Boy Scouts, Deacon Dues, Easter Advent, Girls Scouts, Hospitality Circle, Jazz Society Dues, Lenten, Men's Fellowship, Scrooby Circle, Women's Fellowship, Women's Fellowship Dues, and Xmas Advent. UCC offerings such as Our Church's Wider Mission (OCWM), Neighbors in Need, One Great Hour of Sharing, Strengthen the Church, and the Christmas Fund will remain managed through church systems.

Thank you for your understanding, continued support, and cooperation. -Board of Trustees
